Thank you to everyone who auditioned for CHICAGO. The sheer number of auditions we saw was so heartening, and the amount of thought, preparation, and professionalism we saw in each of you was inspiring. Making these decisions was very difficult. If you have not been cast, please consider auditioning for future productions – the competition one act play has auditions on 11/26!

If you have been cast, congratulations!! I am so excited to work with you all on this challenging and exciting piece of musical theater. Please email Grant at gnsorenson@gmail.com to accept your role. We will have our first read through on Friday, 12/7 at 3:30 pm.
