Student Agreement

We want this to be a positive experience for you and everyone else, so in order to ensure clear and shared expectations and give this show the attention it deserves, you are asked to complete the following agreement. This crew is large, but each person is absolutely critical - as no one can cover for you! You will be treated as professionals who are responsible for their commitments, just as any other activity in or out of school. Please fill out this form, get a parents signature, and return by ASAP. Thank you!

I, _____ (student) understand that I am making a commitment to perform with the perform with the technical crew as RUN CREW / FLY MASTER / PROPS CREW / SPOT OPERATOR / LIGHT BOARD OPERATOR / SOUND BOARD OPERATOR / COSTUMER / OTHER for the 2018 fall musical, *The Secret Garden*. I agree to attend rehearsals as noted on the production schedule. If I have a conflict with a rehearsal I have indicated the date and nature of the conflict in the box below and I understand that it may mean I will not be able to participate in this production. I understand that work is not an acceptable conflict and that I may need to reschedule my private lessons or extra-curricular classes to accommodate our rehearsals. I understand that any absence compromises the integrity of this ensemble and the production.

I understand that during tech week we will be asked to be prepared for rehearsals to go as late as 9:30 no later and that as I am committed to the performances and the scheduled rehearsal times.

To the best of my knowledge I do not have any conflicts with performances, nor will I take on any other commitments that conflict with those performances.

Please indicate which area you are interested in: RUN CREW FLY MASTER SPOT OPERATOR
